\$250

REMC bill credit rebate for any tank electric water heater of 30 gallons or more. You pick the unit that's right for your family and we'll give you the bill credit after we see the receipt and install a load management switch. The switch saves your co-op money, which in-turn, saves you money.

FREE service and parts on existing and new electric water heaters when you call between **8:00 and 3:00 M-F**. See our website or call us for more information.

REMC does not provide or install water heaters.
