NEW 'YOUTH' FORM FOR OPERATION ROUND UP APPLICANTS.

There is a new YOUTH form for students under 18 who would like to do community projects. We have had some young students in the past who wanted to help their communities but the projects didn't quite fit our parameters. The form has been developed so kids who are not affiliated with an organization can still help with projects such as a church program, an Eagle Scout project, or help the elderly.

All Operation Round Up forms can be found at
www.jasperremc.com in the 'Communities' tab.

**OPERATION ROUND UP GRANT APPLICATIONS ARE
ACCEPTED IN MARCH, JUNE, OCTOBER, DECEMBER.**

**WE STILL PROVIDE FREE SERVICE
AND REPAIRS ON ELECTRIC WATER
HEATERS. CALL US IF YOUR WATER
HEATER NEEDS REPAIR.**

**SCHOLARSHIP APPLICATION IS AT

The Nesius Memorial Scholarships and 4-H Electric incentive program are available to public school, private school and home-school students who are sons, daughters, or legal wards of a Jasper County REMC member.

The Nesius Memorial Scholarship is an opportunity for high school seniors looking to further their education. A \$500 scholarship will be awarded to one successful candidate from KVHS, one from RCHS and one from all other high schools/home-schools in Jasper County REMC's service territory. Certificates are issued at the REMC annual meeting in June. *Deadline April 14.*

4-H Electric builds confidence and life-long skills. If the student signs up for 4-H Electric AND enters a project in the Jasper County Fair, we'll send you a check after the Fair for \$15.
