Here is what we've posted lately:

- **SCAM ALERT**-Somebody posing as Jasper County REMC was insisting on cash payments of thousands of dollars delivered to Hammond immediately or they will have the power turned off. This was clearly not us.
- **BOILING OIL PHOTOS**-A tree fell through one of our power lines during the high winds. The live line was laying on the road and boiled the oil out of the asphalt. ALWAYS ASSUME A POWER LINE IS LIVE AND VERY DANGEROUS.
- **DAMAGED UNDERGROUND LINE PHOTOS**-One of our members was digging holes for a new fence and dug into our underground line. He was not hurt, but he sure could have been! ALWAYS CALL 811 BEFORE YOU DIG.
